Cancer Center Engraved Brick Pavers

San Luis Valley Health Foundation is excited to offer engraved brick pavers that will grace our front entrance of the new addition of the SLV Health Cancer Center in the front of the Regional Medical Center at 106 Blanca Avenue.

There are four different brick sizes available for this project, with prices of \$100, \$250, \$500 and \$1000. These pavers will be available on a limited time frame, on a first come, first serve basis, and orders are being taken now. The engraving can be a memorial, in honor of someone, with dates, sayings or quotes.

Please print the application form and mail it to: SLVH Foundation, 106 Blanca Avenue, Alamosa, CO 81101 or drop off at the Foundation Office.

For more information, you may also stop by the office at 1921 Main Street (in the Education & Conference Center), or call Kelly at 719-587-5707.
