## Provider Profile

---

Advanced practice provider will deliver care for nursing home patients throughout the San Luis Valley at multiple locations. The primary care physician will develop a care plan for each patient, and advanced practice provider will insure adherence to the care plan. In addition, the advanced practice provider will manage prescription refills for patients and coordinate patient care in a collaborative partnership with primary care physician.

## Community Profile

---

The San Luis Valley is surrounded by the Sangre de Cristo and San Juan mountains, which provide opportunities for some of the best world class outdoor recreation in Colorado, including the hidden treasure of Wolf Creek Ski resort [www.wolfcreekski.com](http://www.wolfcreekski.com) . Alamosa is a scenic and bustling community that provides the kind of Colorado lifestyle people dream about. With community pride, eclectic shops, affordable housing, golf course living with scenic views, good schools including Adams State University ([www.adams.edu](http://www.adams.edu)) and Trinidad State Junior College ([www.trinidadstate.edu](http://www.trinidadstate.edu)), low crime rates, and abundant suburban amenities, Alamosa can't be beat as a place to work, enjoy life and raise a family.

## Benefit Highlights

---

**Salary Range:** Market competitive

**Health Insurance:** SLVH offers two plans that provide medical and prescription benefits for all full-time employees and their dependents. Also available: Dental Insurance, Vision Insurance, Short-Term Disability, Life Insurance & Long Term Disability and Extended Sick Leave.

### **Available upon completion of 1 year of full-time service**

401(a) retirement account will be established on the employee's behalf. The facility will contribute 3% of the employee's gross annual pay, not to exceed IRS guidelines. Vesting Schedule applies. In addition to the 401a contribution, employees participating in the 403(b) Voluntary Pre-Tax Retirement Plan will be eligible for a 2% match after meeting eligibility requirements.

### **Paid Time Off**

Paid time off ("PTO") is available to physician employees to use for vacation, sick days, personal time, holidays, CME, and any other reason for which they require time away from work. Physician employees will receive PTO in accordance with the number of years worked, as listed below:

Less than 5 years: 208 hours of paid time off per calendar year  
5 years or more: 248 hours of paid time off per calendar year

### **Additional Benefits**

- Sign-on bonus
- Moving allowance
- Loan repayment available up to \$50,000
