

Visitor Restrictions In Place

During flu season, please help us protect you, our patients, their families, our employees, and the public.

Please follow these guidelines when visiting:

- **NO CHILDREN UNDER 12 YEARS OLD**

Should come to the hospital unless they need medical care. If you feel like you have special circumstances, please talk to one of our nursing supervisors.

- **ALL VISITORS SHOULD BE HEALTHY**

Do not visit if you feel sick, or have symptoms of a cold, flu, or another illness.

- **COVER YOUR COUGH**

Please request a mask, or you may be asked to wear one if you are coughing frequently. Otherwise, when you sneeze or cough, please do so into your sleeve.

- **WASH YOUR HANDS FREQUENTLY**

Hand washing facilities are located throughout the hospital for your convenience.

SLV Health thanks you for your understanding
and cooperation.
